Dear hiring manager.

I am writing to express my strong interest in the \_\_\_\_\_ intern position at your origination. With my educational background in computer science and my passion for programming and problem-solving, I believe I would be a valuable asset to your team.

Having recently graduated with honors, I have developed a solid foundation in computer principles and practices. Through my coursework, I have gained a comprehensive understanding of programing, computer networking, project management and team dynamics. Additionally, I have had the opportunity to apply these concepts through various group projects and internships, further enhancing my practical skills.

What sets me apart is my ability to think critically and find innovative solutions to complex challenges. I am highly analytical and detail-oriented, which allows me to identify areas for improvement and propose effective strategies. Furthermore, my strong communication and interpersonal skills enable me to collaborate seamlessly with colleagues and stakeholder at all levels.

I am confident that my passion for learning my drive for success will make me a valuable addition to your organization. I am eager to contribute to your team's success by applying my knowledge and skills in a real – world setting. I am also excited about the opportunity to learn from experienced professional and further develop my abilities.

Thank you for considering my application. I would welcome the chance to discuss how my qualifications align with your organizations.

Thank you for your time and consideration

Sincerely

Abel Asfaw Haileyesus
